LET FLAVOUR BE YOUR GUIDE

We do whisky a little differently. We only bottle from single casks. Each cask is unique and by definition a limited edition. The whisky is also out-of-this-world fantastic with a kaleidoscope of flavours for you to taste and explore.

We believe the best way to enjoy whisky is to focus on its flavour and not where it's from. For that reason we've developed 12 flavour profiles, you'll find the different tastes and aromas of each of the profiles within the flavour cubes on wall. Simply find a flavour that's makes your mouth water and ask us for a dram at the bar.

The 12 whisky flavour profiles

SPICY & DRY	LIGHTLY PEATED
DEEP, RICH & DRIED FRUITS	PEATED
OLD & DIGNIFIED	HEAVILY PEATED
LIGHT & DELICATE	YOUNG & SPRITELY
JUICY, OAK & VANILLA	SWEET, FRUITY & MELLOW
OILY & COASTAL	SPICY & SWEET
